-----

Item 1.01 Entry into a Material Definitive Agreement  
Item 3.02 Unregistered Sales of Equity Securities

-----

On October 24, 2006, Access Pharmaceuticals, Inc. ("Access") entered into a note and warrant purchase agreement pursuant to which it sold and issued an aggregate of \$500,000 of 7.5% convertible notes due March 31, 2007 and warrants to purchase an aggregate of 386,364 shares of common stock of Access. Net proceeds to Access were \$450,000. The notes and warrants were sold in a private placement under Rule 506 promulgated under the Securities Act of 1933, as amended, to a group of accredited investors led by SCO Capital Partners LLC ("SCO").

The notes mature on March 31, 2007, are convertible into Access common stock at a fixed conversion rate of \$1.10 per share, bear interest of 7.5% per annum and are secured by certain assets of Access. Each note may be converted at the option of the noteholder or Access under certain circumstances as set forth in the notes.

Each noteholder received a warrant to purchase a number of shares of common stock of Access equal to 75% of the total number shares of Access common stock into which such holder's note is convertible. Each warrant has an exercise price of \$1.32 per share and is exercisable at any time prior to October 23, 2012. In the event SCO and its affiliates were to convert all of their notes and exercise all of their warrants, they would own approximately 74% of the voting securities of Access.

In connection with its sale and issuance of notes and warrants, Access granted registration rights with respect to the shares of common stock of Access underlying the notes and warrants.

The proceeds from this financing will fund Access's operations and clinical

development program.
